Botox® Injections

A simple and non-surgical cosmetic treatment that smooths the deep, persistent lines between your brows, crows feet and forehead. A few tiny injections relax the muscles that cause those lines to form and keeps them relaxed for approximately three to five months.

\$12.00 per unit

Lip Augmentation & Wrinkle Fillers

Enhance and re-define your lips and fine lines with the newest injectable fillers available. Safe and natural fillers that restore volume and fullness to the skin to correct moderate to severe facial wrinkles.

\$650.00 per syringe

Hair Transplant

Cutting edge technology is offered in this unique procedure. The process involves single follicle natural hair transplant in both men and women to restore the hair that once was there.

Consultation Required

IPL/Limelight Facial

Intense Pulsed Light technology can correct a variety of skin conditions such as the signs of aging, birthmarks, unsightly small veins, and sunspots. Our skin care specialist can determine the number of sessions that would be required for your specific needs in a complimentary consultation. A series of treatments is often recommended. \$300.00

Thermage®

Referred to as the face-lift without surgery. The Thermage procedure delivers radio frequency energy through the skin, giving an immediate tightening appearance. Thermage stimulates new collagen production and continued tightening over time.

CoolSculpting

This revolutionary procedure uses a precisely controlled cooling method called Crylipolysis to target, cool and eliminate fat cells without damage to neighboring tissue. After a one-to-three-hour CoolSculpting procedure your body goes to work. Over the next two to four months, the crystallized fat cells break down and they are naturally flushed from your body.

Advanced Skin Care Treatments

Illuminize Peel by Skin Medica

This non-invasive peel offers a novel approach to very superficial chemical peeling to maximize skin rejuvenating effects with low irritation. After one peel you may notice increased skin glow, tightening of the skin, a more youthful appearance and improvement in clarity, color and skin texture with little or no visible peeling.

\$125.00 (packages available)

Vitalize Peel by Skin Medica

As seen on Extreme Makeover! This peel is classified as a medium strength peel. This renewal process has been clinically proven to help pigmentation problems, skin's texture and tone, lessening of superficial lines and a healthier more youthful look and feel. Best results are done in a series.

\$145.00 (packages available)

Rejuvenize Peel by Skin Medica

The Rejuvenize Peel is the deepest of the Skin Medica Peels, penetrating into the skin to produce significant results with minimal irritation. This peel is suitable for all skin types and is indicated for moderate to severe skin conditions including hyperpigmentation, sun damage, fine lines and wrinkles, rough textures, acne, acne scarring and melasma. Results can be seen after just one peel.

\$185.00 (packages available)
